Chief Executive Officer

## Who we are

Founded in 2019, BREMENS Avocats is an independent law firm composed of around fifty people, including 35 legal professionals, partners and associates, advisors and in-house lawyers.

Since the beginning, the firm has worked closely with the BREMENS notary firm and has implemented an innovative partnership between lawyers and notaries. The firm has also been joined by reputable legal experts, university professors and lecturers, specialized in various fields of business law.

The firm thus benefits from the expertise of multi-disciplinary and complementary teams to deliver the highest quality service.

*“We assist and represent a clientele of French and foreign companies, commercial, industrial and financial, as well as their executives”.*

BREMENS Lyon

*Complementary and  
multi-professional teams*

## | Pluridisciplinarity

BREMENS Avocats is composed of dynamic teams with expertise in their respective fields of competence, who share common values and a willingness to work together.

*“Our collaboration with BREMENS Notaries has enabled us to diversify our range of services and to offer to our clients a fully integrated assistance, particularly in the fields of Real Estate and Construction, Banking and Finance, and Law and Wealth Tax estate planning”.*

## | Expertises

BREMENS Avocats has a recognized expertise in corporate law, assisting companies with their growth, investment and restructuring projects.

As part of its development, the firm has endeavoured to draw on a wide range of complementary skills, exercised by professionals who are able to work and think together according to the specific features of the matters they handle.

BREMENS Lyon
